# **Economic Aspect of Organ Transplantation**

Freedom from Patient Caring

Reduction of Medical Expenses

# **Increasing Number of Patients on Waiting!**

(단위: 명)

### **Number of Patients on the Waiting List**

### Increasing waiting time

Kidney 1,955 days, Liver 155 days,
 Heart 234 days, Lung 116 days

### Death while waiting

8~10% of Waiting List

2017: 1,596 cases (4.4cases/day)

Establishment of National Database(post-TPL)

### IOPO: Status of Organ Procurement Organization in Korea

In 2012, there were 36 hospital based OPO(HOPO) in Korea

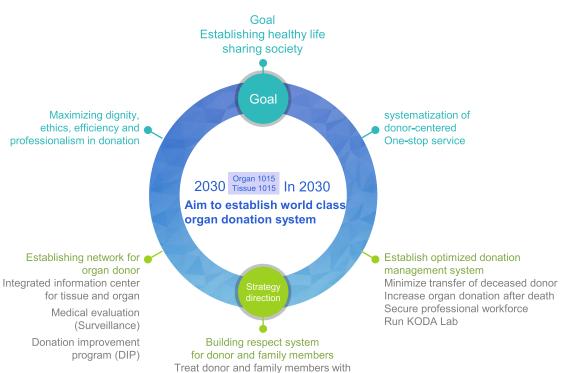

# IOPO: Korean Organ Donation Agency (KODA) (2009)

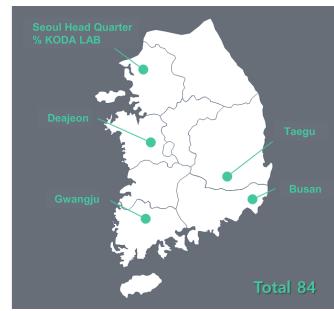

# IOPO: Korean Organ Donation Agency (KODA) (2009)

### (Korea Organ Donation Agency KODA) (2009)

respect and commemoration events

Promote to medical staffs and public

Secure potential brain-dead donors

Evaluate potential brain-dead donors And persuade for organ donation

Adjust process for brain death determination

Management for brain-dead patients

Mediate process for organ procurement

Support for deceased donor and family members after death

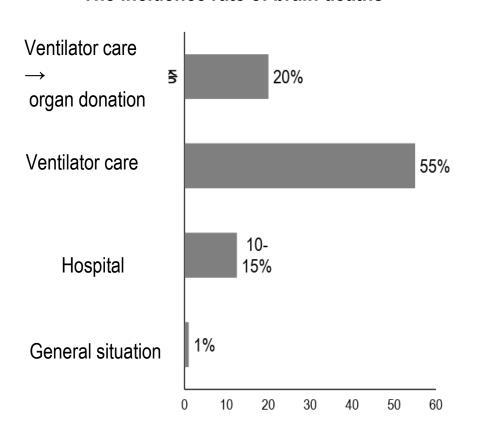

# Medical Personnel: Emergency Unit, ICU, Neurosurgery

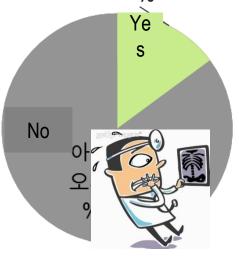

### The incidence rate of brain deaths

Oh MS . Research & research; 2009

# % Reporting rate of potential deceased donor %

- Risk of conflict with family of potential donor
- Poor knowledge regarding organ donation (32% had history of education about organ donation)

# I. Identification & Referral Step

**Donation Improvement Program** 

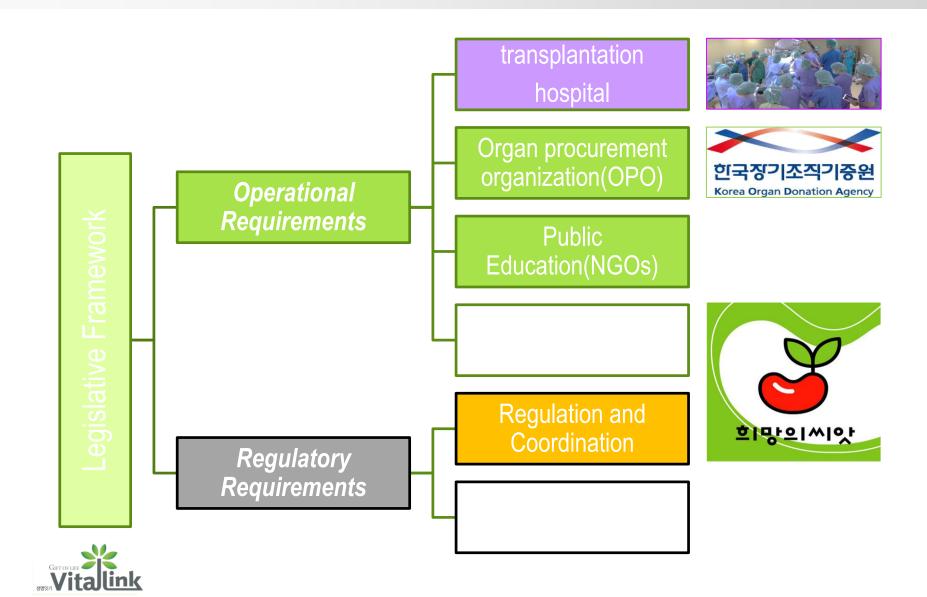

- Early point donor referral system Set up
- Save the time medical monitoring & the donor's family support

# Roadmap for Effective Education for Organ Donation

#### I. SET UP THE ORDER OF PRITORITY

- 1. Health professional
- 2. School
- 3. Family members of dono 🖥
- 4. General public

#### III. COORDINATION

- 1. Organized Networking
- 2. Communication

### **V. PLANNING**

Short- and long-term policies

Step 5

Step 1 Step 2 Step 3 Step 4

#### II. DEVELOPMENT OF TEACHING AIDS

- 1. Target specific
- 2. Consistent and Correlated
- 3. Adequate degree of difficulty
- 4. Standardized information
- 5. Education skill

### IV. EVALUATION

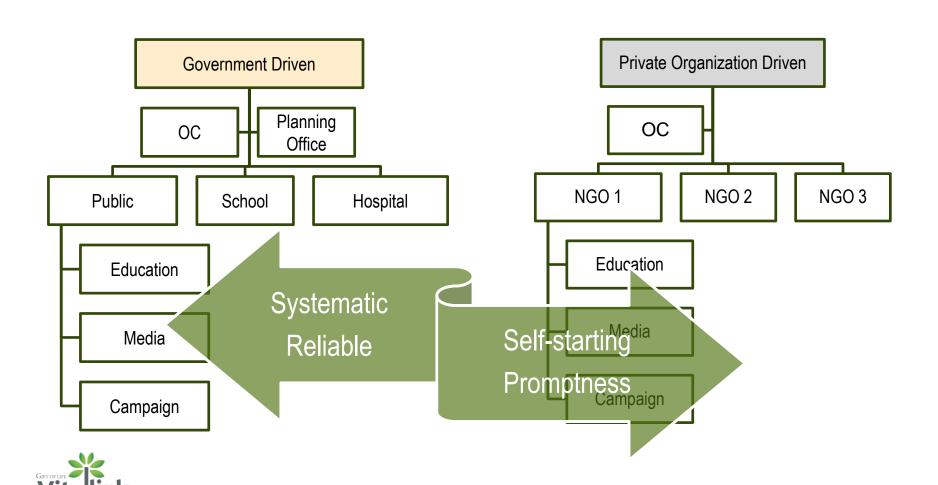

- 1. Index of evaluation
- 2. Regular monitoring
- 3. Impact of Incentive

#### Life Sharing Week & Memorial Park Law(2017.10.24)

- 1 In order to commemorate the love and spirit of the neighbors of long-term registered adults and to spread the culture of sharing, a week is held every year on the second Monday of September.
- ② The state and local governments can conduct commemorative events appropriate to the purpose of the week of life sharing.
- ③ The state and local governments can create parks or construct sculptures to honor the neighbor's love and spirit of sacrifice of long-term registered adults and to use them as educational grounds for spreading a culture of sharing life.
